The Superior Waterworks Division obtains the Kennedy Valve & Hydrant Line.

We are very excited to become a Kennedy distributor and we look forward to the many opportunities that this line makes available to us. Kennedy is a widely accepted brand in the waterworks community. They have been making high quality waterworks products for over 100 years and they are a true industry leader.
New Products

Superior now carries the polyethylene “Active” Handicap parking lot stencil from the Pavilion Stencil Company. They also have many other parking lot stencils available and offer custom made stencils, with usually a one day ship time.

The Makinex 3.7 Gal Hose 2 Go – A constant pressure water supply unit ideal as a dust suppression tool and portable water supply. The Hose 2 Go has a constant flow of water that allows you to suppress the dust when cutting, core drilling and grinding concrete. It’s different than any other product on the market because it provides a constant water flow without the use of a pump, battery or electronics. This is an easy to use dust suppression tool and portable water supply, which has a handle with two easy carrying positions.

The Hose 2 Go is so simple:

- No Pump which means greater reliability
- No complicated electronics to breakdown
- No battery to go flat and expensive replacements
- No need to manually pump to get the water pressure you need
- 3.7 Gallon (14 liter) capacity and up to 30 minutes of constant flowing water

Superior EQS has recently completed the addition of their Dewalt display wall in the Milldale showroom.

Superior South is now carrying the **Tomahawk** TPS25 Power Sprayer. Delivering a powerful mist spray that coats plants top and bottom, the **Tomahawk** TPS25 Backpack Sprayer is the perfect tool for applying pesticides around commercial and residential areas. With 435psi, the TPS25 is designed to operate smoothly even in high altitudes. The Tomahawk TPS25 features a powerful 1.8hp lightweight engine and two triple flat-jet wands/nozzles, helping to reduce the amount of chemical fluid used.

Tough and durable, the TPS25 backpack sprayer is composed of brass and copper to endure rust and wear. Engineered with lower vibration for better operator comfort, the TPS25 is more comfortable than ever.

Superior South is also now featuring the **MaxAdaptor** Universal Sewer Repair Coupling.

Now in-stock in Bridgeport is the **ChemMasters** line of curing and sealing products. Stop in today for more details.

Special Events:

HBRA 2019 ANNUAL CELEBRATION PAST PRESIDENT’S NIGHT:
On Thursday, May 30th, Jon Botteon from our Instrument Division attended this event with his son, Troy. Troy was awarded one of the 10 HBRA Charitable Foundation Student Scholarships for $1,000 each on this night. He will be utilizing it towards his Mechanical Engineering Degree when he attends the University of Rhode Island this coming up school year. Congratulations Troy!
TOUCH-A-TRUCK EVENT:
In May, Superior participated in this year’s Touch-A-Truck Event located at the Southington Drive-In. This event raises money for youth programs throughout the community. Superior had its very own truck and Caterpillar Rough Terrain Forklift displayed, along with other construction, military, emergency, and miscellaneous trucks for children to be able to climb on. It seemed to be a very big success and we are planning on signing up for next year!
